

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institution was established in 1981. Since then, the structure of the Institution has remained participative and decentralized. There is a permanent Principal in the Institution. There is no post of Vice Principal in the Institution. In the absence of the principal, two to three senior faculties in a specific hierarchy are given charges to handle the administrative and academic jobs of the Institution.

The principal is authorized to take any decision for the welfare of the students and the Institution. The members of the Pardi Education Society do not interfere in the decisions taken by the principal for the smooth running of the Institution. They are informed of the important decisions taken and their formal and informal approvals are taken as the case may be.

In the meetings with the member of the Pardi Education Society, the Principal gives the reports of the administrative and academic activities of the Institution. The Pardi Education Society has always favoured the decisions taken for the development of the students and the Institutions.

The Heads of the various Departments are authorized to decide the workloads, distribution of periods, distribution of topics to teach and distribution of papers for assessment among faculties in their respective departments. The Heads of the Departments are also authorized to order books of their respective subjects for the College library as per the budget allocated. While ordering the books, the Head of the Department confides the other faculties of their department.

Various committees are formed for the effective running of academic and administrative activities. There are seven committees under the Students Council namely

1. Finance committee
2. Cultural committee
3. Elocution committee
4. Sports committee
5. Magazine committee
6. Tour committee
7. Planning Forum

Apart from these, there are many committees made imperative by the State Government and the UGC. They are

1. IQAC
2. Anti-ragging committee
3. Sexual Harassment Committee aka Women's Cell
4. SC ST Cell
5. UDISHA, the placement cell

For administrative purpose, the following committees are formed:

1. Admission committee
2. Examination committee
3. Time table committee
4. Library committee

All the academic, curricular, co-curricular, extra-curricular, sports and extension activities are carried out successfully by active participation of the members of the committees. All the committees comprise of one faculty as chairperson and two to three faculties and two to three student members. The suggestions of the student members are taken seriously and are implemented if found useful.

The non-teaching staff of the Institution has receded to just two permanent members: one is a junior clerk and the other a peon. The rest are ad hoc staff appointed by the Management. The non-teaching staff works in co-ordination with the principal. All the financial decisions are taken with the approval from the principal. In the cases where big amount is concerned, the principal seeks the approval of the Management. The policy-making decisions are made by consulting both - the academic and the administrative staff.

There has not been a single serious case of agitation by the staff or the students against the Principal or the Management in the history of the college.
